Added on Jun 15, 2011:
ADDENDUM No. 15 dated June 15, 2011 is the "FINAL" revised Repricing Form. Attached is the latest generation of the repricing spreadsheet which is called RFP 10759 Revised Claims Repricing Form4.xls. THIS WAS DONE AS SOME CONTRACTORS NEEDED THIS INFORMATION TO DO THEIR REPRICING.
The date of birth and gender of the patient are on the file. The diagnosis code list was expanded but only a couple of records yielded an additional code. The procedure list was expanded. The labels were adjusted to note that the modifier applies to Procedure Code 1 only and the Billed amount refers to Procedure Code 1 only. We expect the allowed amount that is included in the responders' files will relate to Procedure Code 1 only. If they are unable to burst their expenses they should put a note on the appropriate record and we will adjust accordingly. A footnote was made in the file to that effect.
If a contractor has already prepared their repricing data in the prior format (RFP 10759 - 2011 TPA Repricing Form Updated 2.xls), we are fine with that, it is up to you if you are comfortable with your results.
Added on Jun 20, 2011:
ADENDUM NO. 16 dated June 20, 2011 is to revise the Pricing Form (which is attached and called RFP 10759 Revised Claims Repricing Form5.xls) as Some respondents had difficulty providing procedure-specific facility charges so the City has added a another option to the repricing form allowing respondents to provide pricing based on DRGs and outpatient hospital expenses. Bidders can follow this option or submit their data using the original data repricing request. Questions can be directed to the City's Actuary (Alison Pool) at Wakely Consultants at 727-507-9858 (EXT 7469)

# City of Fort Lauderdale
# RFP # 115-10759 Single-Source, Managed Care Third Party Administrator (TPA) for the City of Fort Lauderdale's Self-Funded Group Health, Vision and Wellness Programs

## 1. INTRODUCTION

### 1.1 Overview

The City of Fort Lauderdale implemented a self-funded health and vision plan in September 2000. Currently there are 1,913 active employees and retirees enrolled in the plan with a total of 4,515 members. AvMed has been the TPA since 2003. Subscribers may choose from four (4) different benefit options, an open access HMO plan with a high and low option and an open access POS plan with a high and low option. Participating groups include the General Employees (Teamsters), Firefighters (IAFF), Supervisors (Federation) and Management-Confidential (non-union).

The vision plan is administered under the current TPA contract and provides members with an annual reimbursement of up to $250 for all vision expenses, including but not limited to, exams, eyeglasses, sunglasses and contact lenses from any vision provider. There is no requirement to use the AvMed network of vision providers.

Proposers need to incorporate the current wellness programs that are highlighted below into their services:

a. Management Wellness Plan – There are currently 550 management employees who are eligible to participate in this program. Participants who complete the required steps receive an annual wellness incentive of $500. To receive the incentive, participants are required to complete biometric screenings (full cholesterol reading glucose, blood pressure BMI, and weight and height) at the beginning and end of their individual 12-month cycles and complete a full health risk assessment (HRA) at the beginning of the program and an abbreviated HRA at the end of the 12-month cycle. Based on the initial biometric information and full HRA, the wellness administrator stratifies the participants based on risk level and assigns a health coach to assist the member in establishing and achieving wellness goals. Participation with the wellness coaches is required. It is the City's expectation that these management program components will be continued as currently designed.

b. Non-management employees – The City offers non-management employees a $20 incentive on an annual basis for the completion of biometric screenings and a health risk assessment (HRA).

c. All Employees – A wellness web site was developed specifically for all members enrolled in the City's health plan. This web site provides up-to-date information and links to specific health information targeting healthy lifestyles.

The Management Wellness plan is currently provided by HealthWays through a contract with AvMed. AvMed also provides other wellness programs for City employees.

The following programs are not currently administered by the TPA:

- City's prescription drug services (PBM contract) are carved out of the TPA contract and will continue to be administered by Express Scripts Inc. (ESI).
- City's COBRA administration will continue to be performed in-house
- City's 2011 stop-loss policy is underwritten by Companion Life Insurance and a separate reinsurance RFP will be released later this year for the 2012 reinsurance policy.
- City's IRS flexible spending accounts (FSAs) are currently administered by Aflac and the successful TPA could be awarded the Section 125 FSAs.

j. Integration of reinsurance claims data and reporting for stop-loss carrier
k. Integration of independent PBM claims into health claims, disease management and wellness programs

1.6 Pharmacy Benefits
Prescription drugs are carved out of the health plan and currently administered by Express Scripts under a separate PBM contract with the City and are not included in this RFP for TPA services. The selected TPA will be required to integrate the health plan's prescription claims data into the health plan's claim systems, disease management programs and wellness information systems.

1.7 Stop-Loss Insurance

Remuneration for consulting services is paid directly by the City of Fort Lauderdale to the Rhodes Insurance Group under a separate contract. No other consultant, agent or broker services are requested nor anticipated for this RFP.

## 2. CONTRACT TERM

The successful proposer's response to the RFP will be the basis for a contract with the City. Should there be additional administrative issues that need to be spelled out, this clarification of administrative procedures must follow the intent and the terms, conditions and services outlined in your response to the RFP. The initial contract agreement will be for a term of 39 months (see below) with two (2), one-year renewal periods:

# RFP # 115-10759 Single-Source, Managed Care Third Party Administrator (TPA) for the City of Fort Lauderdale's Self-Funded Group Health, Vision and Wellness Programs

**After the initial contract term of 39 months, the City and the Contractor may extend the contract for two additional, one-year terms, pursuant to the negotiation provisions set forth in Section 2-199, Code of Ordinances for the City of Fort Lauderdale, Florida.**

In the event services are scheduled to end because of the expiration of this contract, the Contractor shall continue the service upon the request of the City as authorized by the awarding authority. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Contractor shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

## 3. TERMINATION/CANCELLATION OF CONTRACT

The City reserves the right to cancel the contract without cause with a minimum of thirty (30) days written notice. In the case of termination/cancellation of the Contract, the TPA shall be responsible for administration and reporting for all claims incurred but not reported prior to the termination date. Run out administration costs for a period of 90-days must be identified separately on the pricing form in this proposal.

Termination or cancellation of the contract will not relieve the selected company of any obligations for any deliverables entered into prior to the termination of the contract (i.e., reports, statements of accounts, etc., required and not received).

## 6. EVALUATION PROCESS

6.1 Evaluation Committee Meetings

An evaluation committee of qualified City Staff or other persons selected by the City will conduct evaluations of proposals. It may be a two-step process. In step one; the committee will evaluate all responsive proposals based upon the information and references contained in the proposals as submitted. The committee will score and rank all responsive proposals and determine a minimum of three (3), if more than three (3) proposals are responsive, to be finalists for further consideration. In the event there are less than three (3) responsive proposals, the committee will give further consideration to all responsive proposals received. In step two, the committee may then conduct discussions (oral presentations), for clarification purposes only, with the finalists and re-score and re-rank the finalists' proposals. The evaluation committee may then make a recommendation, resulting from this process, to the City Manager for award of a contract.

The City may require visits to customer installations or demonstrations of product by Contractor's, as part of the evaluation process.

The City of Fort Lauderdale reserves the right, before awarding the contract, to require a Proposer to submit any evidence of its qualifications as the City may deem necessary, and to consider any evidence available of financial, technical and other qualifications and capabilities, including performance experience with past and present users.

The City of Fort Lauderdale reserves the right to request additional clarifying information and request an oral presentation from any and all Proposers prior to determination of award.

The City reserves the right to award the contract to that Proposer who will best serve the interest of the City. The City reserves the right based upon its deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations to the specifications and in the bidding process.

The City uses a mathematical formula for determining allocation of cost points to each responsive, responsible proposer. The lowest, responsive, responsible proposer receives the maximum allowable points. When using this formula, a proposer that submits a cost or fee which is two times greater than the cost/fee of the lowest responsive, responsible proposer, will result in receiving zero points for cost. This formula will be used for both the projected sample of Claims Repricing and the Administrative Costs for the first three years.

$2^{nd}$ lowest cost minus lowest cost = X
X divided by lowest cost = Y
Y times the total number of cost points = Z
Total number of cost points minus Z = points assigned to $2^{nd}$ lowest vendor and so on.

When using this formula, a proposer that submits a cost or fee which is two times greater than the cost or fee of the lowest responsive, responsible proposer will result in receiving zero points for cost.

WHEREAS, the Covered Entity and the Business Associate have established a business relationship in which Business Associate, acting for or on behalf of Covered Entity, receives Protected Health Information as defined by the Health Insurance Portability and Accountability Act of 1996 (“Act”); and

WHEREAS, the Covered Entity and the Business Associate desire to comply with the requirements of the Act’s Privacy Rule as further set out below.

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements set forth herein, the Covered Entity and the Business Associate agree as follows:

1. Definitions

a. Terms used, but not otherwise defined, in this Agreement shall have the same meaning as those terms in the Privacy and Security Rules (“Privacy Rule”), as codified in 45 Code of Federal Regulations Parts 160 through 164, as may be amended.

2. Obligations and Activities of Business Associate

a. Business Associate agrees to not use or disclose Protected Health Information other than as permitted or required by the Agreement or as Required by Law.

b. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of the Protected Health Information other than as provided for by this Agreement.

c. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Agreement.

d. Business Associate agrees to report to Covered Entity any use or disclosure of the Protected Health Information not provided for by this Agreement of which it becomes aware.

e. Business Associate agrees to ensure that any agent or subcontractor, to whom it provides Protected Health Information received from, or created or received by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such information.

f. Business Associate agrees to provide access, at the request of Covered Entity, and in a reasonable time and manner, to Protected Health Information in a Designated Record Set, to Covered Entity or, as directed by Covered Entity, to an Individual in order to meet the requirements under 45 C.F.R. § 164.524, if the Business Associate has Protected Health Information in a Designated Record Set.

g. Business Associate agrees to make any amendment(s) to Protected Health Information in a Designated Record Set that the Covered Entity directs or agrees to pursuant to 45 C.F.R. § 164.526 at the request of Covered Entity or an Individual, in a reasonable time and manner, if Business Associate has Protected Health Information in a Designated Record Set.

h. Business Associate agrees to make internal practices, books, and records, including policies and procedures and Protected Health Information, relating to the use and disclosure of Protected Health Information received from, or created or received by Business Associate on behalf of, Covered Entity available to the Covered Entity, or to the Secretary, in a reasonable time and manner or as designated by the Secretary, for purposes of the Secretary determining Covered Entity's compliance with the Privacy Rule.

i. Business Associate agrees to document such disclosures of Protected Health Information and information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

j. Business Associate agrees to provide to Covered Entity or an Individual, within thirty (30) days of receipt of a written request from the Covered Entity or an Individual, information collected in accordance with Section 2.i of this Agreement, to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

k. Sections 164.308, 164.310, 164.312, and 164.316 of Title 45, Code of Federal Regulations, shall apply to Business Associate in the same manner that such sections apply to Covered Entity.

3. Permitted Uses and Disclosures by Business Associate

a. Except as otherwise limited in this Agreement, Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Pharmacy Benefit Management Agreement, No. 195-10309, between the City of Fort Lauderdale and the Business Associate ("Original Contract"), provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity.

4. Specific Use and Disclosure Provisions

a. Except as otherwise limited in this Agreement, Business Associate may use Protected Health Information for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate.

b. Except as otherwise limited in this Agreement, Business Associate may disclose Protected Health Information for the proper management and administration of the Business Associate, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

c. Except as otherwise limited in this Agreement, Business Associate may use Protected Health Information to provide Data Aggregation services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B).

5. Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any limitation(s) in its notice of privacy practices of Covered Entity in accordance with 45 C.F.R. § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of Protected Health Information.

b. Covered Entity shall notify Business Associate of any changes in, or revocation of, permission by Individual to use or disclose Protected Health Information, to the extent that such changes may affect Business Associate's use or disclosure of Protected Health Information.

c. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of Protected Health Information that Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of Protected Health Information.

6. Permissible Requests by Covered Entity

a. Covered Entity shall not request Business Associate to use or disclose Protected Health Information in any manner that would not be permissible under the Privacy Rule if done by Covered Entity, except that Business Associate may use or disclose Protected Health Information for data aggregation or management and administrative activities of Business Associate if required by the terms of the Original Contract.

7. Term and Termination

a. The Term of this Agreement shall be effective as of the effective date of the Original Contract, and shall terminate when the Original Contract terminates. Upon termination, all of the Protected Health Information provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, shall be destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy Protected Health Information, or if it is illegal to destroy Protected Health Information, the protections are extended to such information, in accordance with the termination provisions in this Section.

b. Upon either party's knowledge of a material breach by the other party, the nonbreaching party shall either:

1. Provide an opportunity of at least thirty (30) days for the breaching party to cure the breach or end the violation and terminate this Agreement and the Original Contract if the breaching party does not cure the breach or end the violation within the time specified by the nonbreaching party;

2. Immediately terminate this Agreement and the Original Contract if the breaching party has breached a material term of this Agreement and cure is not possible; or

3. If neither termination nor cure is feasible, the nonbreaching party shall report the violation to the Secretary.

c. Effect of Termination

1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, Business Associate shall return, or destroy, except as prohibited by the Florida public records law, all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

2. In the event that Business Associate's return or destruction of the Protected Health Information would be infeasible or illegal, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further uses and disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible or illegal, for so long as Business Associate maintains such Protected Health Information. Upon written request from the Covered Entity, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible or illegal. At all times Business Associate shall comply with the Florida public records law and exemptions therefrom, and applicable Florida records retention requirements.

8. Miscellaneous

a. A reference in this Agreement to a section in the Privacy Rule means the section as in effect or as amended or revised.

L. No. 104-191. If the parties are unable to reach agreement regarding an amendment to this Agreement, either Business Associate or

Covered Entity may terminate this Agreement upon ninety (90) days written notice to the other party.

c. The respective rights and obligations of Business Associate under Sections 7(c)(1) and 7(c)(2) of this Agreement shall survive the termination of this Agreement.

d. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule.

e. # ADDENDUM NO. 3

RFP 115-10759
SINGLE SOURCE MANAGED CARE THIRD-PARTY ADMINISTRATOR

**ISSUED May 26th, 2011**

1. The following has been added to the RFP specifications:

Fully Insured Vision Plan

Proposing companies that provide vision plans are invited to include a proposal for a stand-alone fully-insured vision plan with their health TPA proposal. The vision premiums are not to be contingent on the company being selected to provide the health plan administration. Fully Insured premiums are requested to be provided on a five-tier basis as outlined below:

1. Employee
2. Employee and spouse
3. Employee and 1 child
4. Employee and 2 or more children
5. Employee and spouse and children

If five tier rates are not available, four tier rates that combine child and children will be considered. Use the form that follows to submit your rates in Section II of the proposal.

The current vision plan claims and enrollment are included in the AvMed claim reports included in the underwriting folder.

Suggested plan specifications are in the attached excel file (2011 RFP TPA Sample Vision Plan) Include a complete description including limitations and exclusions of your proposed plan in Section I of your proposal.

**TO: All Benefit Eligible City Employees**
**RE: 2010 Changes to the City's Self-Funded AvMed Plans**

During the past four years the City has lowered employee healthcare premiums while retaining the same high-quality health coverages. During 2010, the City will fund 89% of the self-funded AvMed plan for active employees but is realizing double-digit increases in medical claims.

In order to retain the same quality City health coverages for participants and to ensure the financial stability of our plan, the City has changed prescription drug carriers beginning March 1st and must increase employee healthcare premiums & copays beginning April 1st. These changes have been reviewed with all impacted bargaining units.

**March 1, 2010 Effective Date**

**Express Scripts is the New Prescription-Drug Claims Administrator**

**AvMed is mailing new participant cards for BOTH medical and Rx drugs to your home**

1. There are no changes to the pharmacy copays for retail or mail-order drugs.
2. The new formulary drug listing is attached – if you have used one of the affected formulary drugs in the past 6 months a letter will be sent to your home notifying you that you are taking a non-preferred brand drug.

| | 30-day prescription supply | 90-day mail order prescription supply |
|---|---|---|
| - Generic (lower case on attached) | $10 copay | $20 copay |
| - Preferred Brand (upper case on attached) | $20 copay | $40 copay |
| - Non-Preferred Brand (samples on attached) | $35 copay | $70 copay |

3. For those using mail-order drugs in the past 6 months, your prescription has been automatically transferred to Express Scripts for processing after March 1, 2010. Please allow 7 days for the scripts to be loaded. If you have a prescription for a controlled substance, your prescription will not transfer. In addition, prescriptions over a year old will not transfer.
4. All the same drug stores are available with Express Scripts.

**April 1, 2010 Effective Date**

1. 10% increase in healthcare contributions for employees, retirees & COBRA participants (attached)
2. Copays will be increased for certain healthcare services (attached)

**Please note the continued low $40 copay for Urgent Care Facilities**

If you have questions or a want to make changes to your healthcare coverages in conjunction with this announcement**: CONTACT THE BENEFITS OFFICE BY 5PM WEDNESDAY (3/17/2010)**

Thanks for your attention.

# ADDENDUM NO. 10

RFP 115-10759
SINGLE SOURCE MANAGED CARE THIRD-PARTY ADMINISTRATOR (TPA)
ISSUED: June 1, 2011

Question: The attachments in question are numbers 7 and 8. Both have similar information however each are labeled differently, number 7 says its the "Claims Repricing form 2" and the other is labeled "TPA Total Census"; please confirm which we should use.

Answer: Attachment 7 called – RFP 10759 Claims Repricing Form2 is the same as Attachment 8 called – RFP 10759 TPA Total Census. The only difference is that Attachment 8 has subtotal lines and attachment 7 does not.

The City will delete both documents called RFP 10759 Claims Repricing Form2 and RFP 10759 TPA Total Census (this document was labeled incorrectly), and this will be replaced by NEW document called Revised Claims Repricing Form3.

The NEW document called Revised Claims Repricing Form3 is the only claims repricing document that the City will require with your RFP response.

**All other terms, conditions, and specifications remain unchanged.**

**This Addendum No. 10 SHOULD be submitted with your RFP Proposal, (RFP 105-10759) or acknowledged on the Bid/Proposal Signature Page in this RFP.**

**RE: 2010 Changes to the City's Self-Funded AvMed Plans**

During the past four years the City has lowered employee healthcare premiums while retaining the same high-quality health coverages. During 2010, the City will fund 89% of the self-funded AvMed plan for active employees but is realizing double-digit increases in medical claims.

In order to retain the same quality City health coverages for participants and to ensure the financial stability of our plan, the City has changed prescription drug carriers beginning March 1st and must increase employee healthcare premiums & copays beginning April 1st. These changes have been reviewed with all impacted bargaining units.

**March 1, 2010 Effective Date**

**Express Scripts is the New Prescription-Drug Claims Administrator**

**AvMed is mailing new participant cards for BOTH medical and Rx drugs to your home**

1. There are no changes to the pharmacy copays for retail or mail-order drugs.
2. The new formulary drug listing is attached – if you have used one of the affected formulary drugs in the past 6 months a letter will be sent to your home notifying you that you are taking a non-preferred brand drug.

| | 30-day prescription supply | 90-day mail order prescription supply |
|---|---|---|
| - Generic (lower case on attached) | $10 copay | $20 copay |
| - Preferred Brand (upper case on attached) | $20 copay | $40 copay |
| - Non-Preferred Brand (samples on attached) | $35 copay | $70 copay |

3. For those using mail-order drugs in the past 6 months, your prescription has been automatically transferred to Express Scripts for processing after March 1, 2010. Please allow 7 days for the scripts to be loaded. If you have a prescription for a controlled substance, your prescription will not transfer. In addition, prescriptions over a year old will not transfer.
4. All the same drug stores are available with Express Scripts.

**April 1, 2010 Effective Date**

1. 10% increase in healthcare contributions for employees, retirees & COBRA participants (attached)

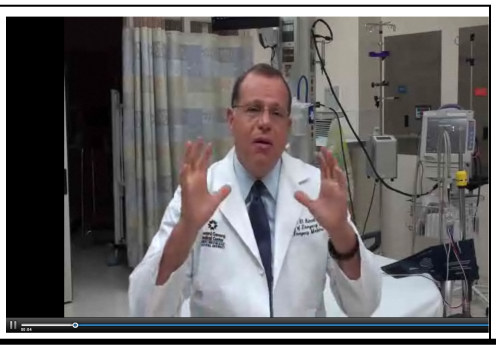
**WE ENCOURAGE YOU TO CALL THE BENEFITS OFFICE ABOUT THE NEW POS 2 PLAN & GAP INSURANCE**



**Dr. El Sanadi is Medical Director for the City's Fire Rescue and directs Emergency Medicine at Broward General Medical Center.**

**Dr. El Sanadi talks about escalating medical costs…**

- Medical costs are escalating at double-digit inflationary rates throughout the country as well as here in South Florida.
- The City has been funding 89% of your medical plan – and will continue funding more than $18 million a year.
- Due to these significant increases, changes have been made to the City's Health Plan in order to keep it financially sound.
- Beginning January 1, 2011:
  - Deductions will be increased to offset increased costs.
  - Changes have been made to the Health Plan design to ensure you continue to receive quality healthcare at an affordable price and to incorporate many new free coverages under the Federal Governments Healthcare Reform Act.
- Less expensive Health Plan options are available that will allow you to lower your biweekly deductions and maintain quality health coverage.

# ADDENDUM NO. 4

RFP 115-10759
SINGLE SOURCE MANAGED CARE THIRD-PARTY ADMINISTRATOR

**ISSUED May 26th, 2011**

1. The following has been added to the specifications:

Fully Insured Health Premiums

In addition to the request for TPA services, the City of Fort Lauderdale is requesting that proposing companies include fully-insured health premiums based on much of the same criteria as the self-funded estimates as highlighted below:

- Effective date for the fully insured plan would be January 1, 2012. The wellness programs described in the RFP would still be effective October 1, 2011.
- Current benefit levels implemented 2011 that are detailed in the RFP already released.
- Pharmacy benefits should not be included in the fully-insured proposals.
- Inclusion of the $50,000 wellness allowance requested in the RFP.
- All of the wellness programs described in the RFP including the effective date.
- Three-year premium parameters including guaranteed health trend and retention including margin and pooling charge assuming a $225,000 pooling level. The contract will also allow for two additional one-year renewals.
- Five-tier premium structure as outlined below.
    1. Employee
    2. Employee and spouse
    3. Employee and 1 child
    4. Employee and 2 or more children
    5. Employee and spouse and children

Use the Fully-Insured Health Premium Form that follows to submit your rates in Section II of the proposal.

An Underwriting Folder will be posted on Bid Sync which will contain additional claims experience:

a. AvMed experience reports for the last three years including Rx and vision claims
b. Specific reinsurance plan experience and rate history.
c. Benefit plan description for 2006 through 2010.
d. Claim lag reports.

We are requesting that a separate list of deviations be included for this Fully-Insured Addendum regarding benefits or other items requested in the RFP that cannot be accommodated in your proposal.

Proposers must provide a list of five (5) fully-insured group health clients including municipalities with more than 500 covered employees (preferably with as many or more than the City of Fort

Lauderdale). One of the references should be a company that has terminated the group health plan. Include names of persons who may be contacted along with their phone numbers and email addresses (can be "shared references" with vision plan as long as they have both coverages). Label this list Fully-Insured Health Plan References and include in Section VI of your proposal.

**Evaluation Criteria**

In the evaluation of the responses to this RFP and in making a recommendation for award, the Evaluation Committee will consider the same factors that are provided for the self-funded health plan with the addition of a separate evaluation of the Cost Factors. Information submitted in response to this RFP as well as information obtained from references and/or interviews with the firms (if required) will be used during the evaluation process.

Under each criteria is listed the items that may be used to evaluate the criteria.

**Question 86**

Based on the Claims Re-Pricing exhibit contained within the RFP 10759-2011 for Single Source Managed Care Third Party Administrator and updated in a subsequent RFP Addendum, we kindly submit that the information contained on this exhibit is insufficient for our company to comply with the requirement to provide an accurate response for this exhibit. This letter shall serve to explain our difficulty in providing a response to this required exhibit in its current format and to request additional information, as follows:

Inpatient & Outpatient Facility Claims Â– Samples # 1 - 63:

Our Company does not assess nor calculate an allowance for every code that is billed on a facility claim, and we do not compute an allowance at the Revenue code level. Instead, our Company calculates allowance amounts at the claim level. As a result, we must have information on the entire claim to provide an accurate result. Otherwise, any response we might provide would be based on an assumption or Â"guess" that could be inaccurate. Specifically, we need the following additional fields for each sampled facility claim, where applicable Â–

1Â· Sex and Age of patient, Diagnosis Codes (codes 1-5 at a minimum), Surgical Procedure Codes, Line Number #,

Charge, # Number of Units, Revenue Code (contained on each line of the claim); and

2Â· Discharge Status Codes on Sample Claims # 18 and #19.

Physician Claims Â– Samples # 64 - 200:

3Â· Please confirm if our Company should assume that the Number of Units for each Sample Claim is equal to One Unit.

4Â· Please confirm if our Company should assume that the Charge Amount for each Sample Claim represents the charge amount for only the listed procedure code. **(Submitted: Jun 13, 2011 2:55:32 PM EDT)**

**Answer**

- An updated data file will be posted in Bidsync with the requested data covering samples 1-63, except for line number # which appears to be something internal the City does not have. It appears that some of your requested data had already been posted so you may want to clarify any further data requests that are posted directly with the City's actuary, Alison Pool of the Wakely Group, at 727-507-9858 (extension 7469).

Your other request regarding samples 64-200 are both affirmative - each sample claim is equal to one unit (if not otherwise noted) and the sample claim represents the charge amount for the listed procedure code. **(Answered: Jun 13, 2011 2:57:15 PM EDT)**
