Purpose: Develop and recommend to the City Commission an initial model plan that outlines a process to seek the perspectives of under-represented individuals so that a citywide vision will reflect the hopes and viewpoints of all residents in the City of Fort Lauderdale; and to organize a broad-based, community focused process and produce a vision plan for the next century that will guide the City Commission in their policy and decision-making.

Note: Two or more City Commissioners and/or Advisory Board members may be present at this meeting. If any person decides to appeal any decision made with respect to any matter considered at this public meeting or hearing, he/she will need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. If you desire auxiliary services to assist in viewing or hearing the meetings, or reading meeting agendas and minutes, please contact the City Clerk's Office at 954-828-5002 at least two days prior to the meeting, and arrangements will be made to provide those services.
