2700 BLOCK OF NE 57TH STREET WATER LINE IMPROVEMENT PROJECT

Intermittent Lane Closures and Occasional Water Interruptions

In an effort to improve water service and delivery in your neighborhood, the City of Fort Lauderdale plans to replace a six-inch water line on the 2700 block of NE 57th Street.

Construction is expected to begin on August 18, 2015 and continue for approximately 90 days. All construction is scheduled to take place between the hours of 8 a.m. and 5 p.m. Residents will have full access to their properties while construction takes place.

Neighbors are encouraged to travel slowly in the work zone to ensure the safety of others. Every effort will be made to minimize any inconvenience however, neighbors may experience intermittent lane closures and occasional water interruptions.

We appreciate your patience as we strive to create the City You Never Want to Leave.
