

CITY OF FORT LAUDERDALE

# REIMAGINE THE FUTURE OF TWIN LAKES NORTH!

## *Twin Lakes Mobility Master Plan Workshop*

**THURSDAY, AUGUST 20, 2015 | 7:30 – 9:30 PM**

**TWIN LAKES BAPTIST CHURCH | FELLOWSHIP HALL  
4701 NW 11th Avenue, Fort Lauderdale, Florida 33309**

The City of Fort Lauderdale is working to calm traffic and improve the pedestrian and bicycling experience in the Twin Lakes North neighborhood, and we want to hear from our neighbors! Join us on August 20th as we present the results from the Twin Lakes Mobility Master Plan Charrette that was held this past April. Neighbors will have an opportunity to share input on the findings, as well as identify traffic calming strategies for their neighborhood.

We look forward to working together with our neighbors to build a fully connected neighborhood with streets and roadways that accommodate all types of users from pedestrians and bicyclists to transit riders and motorists.
