

5TH ANNUAL CITY OF FORT LAUDERDALE TRANSPORTATION SUMMIT

SPEAKER BIOGRAPHY

Bruce A. Mowry, City Engineer

City of Miami Beach

Session: Design with Benefits

Bruce A. Mowry, Ph.D., P.E., is the City Engineer for the Miami Beach, Florida. Bruce has more than 35 years of experience working on municipal projects both in the United States and foreign countries.

Water Resources projects in New Orleans, Santa Barbara/Los Angeles/Southern California, Trinidad & Tobago, Egypt, Mainland China along with teaching at Louisiana State University in New Orleans (UNO), University of California Irvine and University of Southern California are some of the experiences that he is bringing to the City of Miami Beach to assist in improving their infrastructure to meet the climate changes and sea level rise challenges facing the City along with code modifications to meet these challenges.

Bruce holds a Ph.D. in Civil Engineering from Mississippi State University, along with multiple other degrees and certifications.
