

PUBLIC RIGHT-OF-WAY AND EASEMENT DEDICATION INSTRUCTIONS

These instructions are intended to assist applicants with Right-of Way or Easement conveyances to the City. Conveyances are generally required as a condition of site plan approval or vacation of Right-of-Way, and must be executed prior to issuance of a Certificate of Occupancy.

Please refer to the list of required documents below and submit all materials at least six weeks prior to requiring Final Certification of Occupancy. The documents may be sent via e-mail to jjohnson@fortlauderdale.gov in MSWord or "pdf" or "tiff" format. Please use the standard forms available at the City's website:

<http://fortlauderdale.gov/departments/sustainable-development/building-services/engineering-forms-and-info>

1. Attorney's Opinion of Title: Please use the standard form provided by the City. The form may be modified, however any changes should be shown (use *MS Word* document change tracking feature indicating strikethrough for deletions and underlined words for additions). The City Attorney's Office will review the proposed changes to determine if they are acceptable. All instruments referenced in the Attorney's Opinion of Title (except for plats) are to be included in the Attorney's Opinion of Title packet. The Opinion should be dated no later than 4 weeks prior to recordation.

2. Easement and/or Right-of-Way Deed: The conveyance document shall be prepared by owner's legal counsel. The company name shall be exactly as it appears in the Attorney's Opinion of Title. Please use the City's sample Easement Deed Word document. Changes should be shown by using *MS Word* document change tracking feature indicating strikethrough for deletions and underlined words for additions. Please ensure the following requirements are met:

- If the owner is a Corporation, the President or Vice President of the company must sign the document; and if a Florida Corporation, the signee must be on file with the State Division of Corporations as the holder of that office;
- If the owner is an LLC, the document must be signed by the managing member; however, if the managing member is an LLC or Corporation, the person signing must either be the president, vice president, managing member, etc. until the person signing is signing as either the President or Vice President of a corporation or a managing member or a general partner;

- If the owner is a Limited Partnership, the document must be signed by the General Partner as confirmed by a Certificate of Limited Partnership submitted by the owner;
- Alternatively, if the names of the people on the documents cannot be verified along with their titles by review of Florida Corporate Records, then the Owner shall be required to submit a certified resolution of minutes letter from a board meeting of the Corporation/ LLC LP that contains language authorizing the individual who has signed the document as having authority to sign such document.

3. Survey Sketch and Legal Description: Shall be prepared and certified by a Professional Land Surveyor and labeled as “Exhibit A” under the “Witnesseth” section of this document (do not write in the legal description in this area). Drawings shall also be prepared with the professional surveyor’s title block on letter size paper (8.5 in. X 11 in.)

4. Joinder, Consent, and Partial Release by Mortgagee/Lien Holder (provided if applicable per item 1 above)

5. As-Built Sketch: The purpose of the as-built sketch is to show constructed features (such as meters, sewer manholes, etc.) within prescribed easements and/or rights-of-way per design. Sufficient information shall be provided so that staff can easily determine that the constructed feature(s) is located properly within the easement(s).

As-builts shall be prepared on 8 ½” x 11” paper with a title block showing company information and shall be signed/sealed by a professional surveyor. One corner of the easement shall be tied to a property corner. For water meter vaults, ties from the easement corners to at least three corners of the vault shall be provided. For manholes, ties from one easement corner to the radius point of the manhole shall be provided. As-builts for sidewalk are not required unless specifically requested by staff.

Next Steps and Additional Notes:

The documents do not need to be executed at this stage, however the exact names of the organizations, names and titles of the signatories need to be printed on the forms.
