CONSTRUCTION TRAILER INSTALLATION CHECKLIST

- _____ Completed permit application. **All subcontractor permits must be submitted with the master permit.**
- _____ Prior to submittal, plans must be approved by the **Broward County Development Management Division** (Broward County Governmental Center West, 1 North University Dr, Suite 102, Plantation, Florida).
- _____ Two (2) accurate plot plans and surveys, showing location of the construction trailer (one (1) signed and sealed and one (1) copy).
- _____ Electrical permit application.
- _____ Mechanical permit application, if an AC unit is installed.
- _____ Plumbing permit application, if water and sewer are connected.
- _____ Stamped approval by the **Broward County Health Department**, if installing a holding tank.
- _____ Two (2) copies of installation instructions.

All final inspections (structural, electrical, zoning, mechanical and plumbing) must be scheduled and passed prior to issuance of a Certificate of Occupancy.
