

CITY OF FORT LAUDERDALE

IMPROVING SAFETY AND MOBILITY FOR EVERYONE!

Shady Banks Mobility Master Plan Workshop

Wednesday, September 21, 2016 | 7:00 PM – 9:00 PM

Hortt Park Community Center

1700 S.W. 14th Court, Fort Lauderdale, FL 33312

The City of Fort Lauderdale is working with the neighborhood to create a plan to calm traffic and improve the pedestrian and bicycling environment in Shady Banks and wants to hear from our neighbors!

At the first workshop, neighbors provided input and ideas regarding issues and opportunities within the Shady Banks neighborhood. During this workshop, the City will present a summary of the information and data that was collected and invite neighbors to provide input on potential solutions. Additionally, neighbors will be asked to identify their favorite traffic calming strategies for the neighborhood.

Please join us as we work together to build a fully connected neighborhood with streets and roadways that accommodate all types of users from pedestrians to bicyclists to transit riders and motorists!

If you would like additional information, please contact Karen Mendrala, Principal Planner at (954) 828-3798 or kmendrala@fortlauderdale.gov.
