

MONTHLY FINANCIAL REPORT

September 2013

Preliminary as of October 25, 2013

PERFORMANCE AT A GLANCE

GENERAL FUND REVENUES

FY 2013 General Fund year-to-date preliminary revenues* are 4.56% higher than FY 2012 revenues primarily due to property taxes, fines & forfeitures, administrative fees, return on investment (ROI), and fire assessments. (Page 2)

GENERAL FUND EXPENDITURES

FY 2013 General Fund year-to-date preliminary expenditures* are higher than FY 2012, due to an \$11.7M appropriation to pre-fund nine months of the FY 2014 Pension Obligation debt payment, showing an increase of 3.12% over FY 2012. [Pages 3 - 4]

OVERALL GENERAL FUND PERFORMANCE

At the end of the fiscal year, preliminary General Fund revenues of \$276,848,644 received year-to-date are higher than expenditures of \$275,973,053. Revenues are exceeding expenditures by \$875,591, resulting in a favorable trend. [Page 5]

WE BUILD COMMUNITY

The following report provides an update on the City of Fort Lauderdale's financial condition as it relates to the operating and sub funds on a budgetary basis. The data and figures presented reflect information as of the month ending September 30, 2013, which includes adjustments to the FY 2012 year end financials. *The FY 2013 data is preliminary as of October 25, 2013, and will continue to be refined until the audit is complete.

LEGEND

	POSITIVE	- Improved compared to seasonal trends or budgetary projections.
	NEUTRAL	- Neutral as compared to seasonal trends or budgetary projections.
	NEGATIVE	- Worse than compared to seasonal trends or budgetary projections.

ECONOMIC INDICATORS

Economic conditions drive City's revenues, such as Property Taxes, Licenses & Permits, Charges for Services, etc.

NATIONAL ECONOMY

National GDP:  Real Gross Domestic Product (GDP) is the output of goods and services produced by labor and property located in the United States. According to the estimate released by the Bureau of Economic Analysis, the second quarter of 2013 increased at an annual rate of 2.5 percent. In the first quarter, real GDP increased 1.1 percent.

Interest Rates:  The Federal Open Market Committee met in July and decided to keep the target range for the Federal Funds interest rate at 0 to ¼ percent and currently anticipates that economic conditions are likely to warrant exceptionally low levels at least through 2013.

Housing Starts:  Housing Starts in September 2013 were at a seasonally adjusted rate of 891,000. This was 0.9% above the revised August 2013 estimate of 891,000 and was 19.0% above the August 2012 rate of 686,000.

UNEMPLOYMENT RATES

National:  Both the number of unemployed persons 11.3 million, and the unemployment rate, at 7.2% changed little in the month of September; however, unemployment has decreased by 522,000 since June.

State-wide:  The Florida unemployment rate decreased to 7.0% in August, down from 7.1% in May, June, and July, and down 4.1% points since December 2010. The statewide unemployment rate has remained below the national average of 7.3% for the sixth consecutive month. Florida has created 365,500 private sector jobs since December 2010.

Broward County:  The Fort Lauderdale area unemployment rate for August 2013 was 5.8%, which decreased 0.4% from the July 2013 rate of 6.2%. The Ft. Lauderdale metro area's unemployment rate declined by 1.9% points over the year from 7.7% in August 2012. The metro area's unemployment rate in August 2013 was the third lowest in the state.

BUILDING ACTIVITY

State-wide:  Building permits for August 2013 numbered 6,645 with a value of \$1.5 billion. This is a decrease from the July 2013 count of 7,248 permits with a value of \$1.6 billion.

Local:  Miami-Fort Lauderdale-Pompano Beach area issued 922 building permits in August 2013 with a value of \$211 million. This is a decrease from the July 2013 count of 1,541 permits with an issued value of \$293 million. August 2012 reported 894 building permits with an issued value of \$151 million.
