# BRICKS 4 KIDZ

We are excited about the opportunity to share with you our Bricks 4 Kidz™ hands-on-program! In our LEGO® Lab, students will be designing and constructing:

- Machines
- Catapults
- Pyramids
- Derby cars
- Buildings
- And other models out of LEGO® bricks.

We provide all the materials for students to work in a lab-type setting using the bricks with an integrated curriculum based on math and science. Kids already know and have fun building with LEGO® bricks, but with a little guidance they can learn engineering, architecture and the concepts of physics and mathematics using the plastic components.

This program also helps kids develop problem-solving and critical thinking skills.

For kids ages 5 - 11 years old. Please register in advance.

**Session I:** January 10 - 31 (4-week session)  
**Session II:** February 7 - 28 (4-week session)  
**Session III:** March 6 - 27 (4-week session)  
**Session IV:** April 3 - 24 (4-week session)  
**Day:** Tuesdays  
**Time:** 4:00 - 5:00 p.m.  
**Cost:** Residents \$40  
 Non-Residents \$60

If you would like this publication in an alternative format or if you need reasonable accommodation to participate in this program, please contact Marie Rock at (954) 828-4610 or [mrock@fortlauderdale.gov](mailto:mrock@fortlauderdale.gov) at least seven business days prior to this program.
