## Page 3: Required Documentation

Pursuant to Section 47-24.1(1), the Planning and Zoning Department has five (5) business days to review all applications for a development permit to determine completeness. You will be notified by email within five (5) business days if your plans do not meet the submittal requirements.

### One (1) copy of the following:

- Pre-P&Z signed-off set of plans with all required signatures
- Completed application (all pages must be filled out where applicable)
- Proof of ownership (warranty deed or tax record), including corporation documents if applicable
- Property owners signature and agent letter
- Traffic study for projects that meet the trip threshold (see Sec. 47-24 or contact DRC Engineering Representative for details)
- Color photographs of the entire property and all surrounding properties. All photographs are required to be dated and labeled and identified as to orientation.

### Two (2) signed/sealed copies of Pre-P&Z signed-off set in the following order:

- Narrative describing project specifics, to include but not be limited to: architectural style and important design elements, trash disposal system, security/gating system, hours of operation, dock facilities, etc. Narratives must be on letterhead with author indicated.
- Narrative quoting all applicable sections of the ULDR, with point-by-point responses of how project complies with such criteria. Narratives must be on letterhead with author indicated.
- Provide ground truths on perspectives to depict and determine appropriate scale of project.
- Land Use and Zoning maps of all properties within 700 ft. of the subject property. These should be obtained from the Planning and Zoning Office, 700 NW 19 Avenue, 954-828-3266. Site should be highlighted or marked clearly to easily locate the parcel
- Cover sheet for plan set stating project name and table of contents
- Provide separate sketch and legal of portion of property to be vacated.
- Current survey(s) of property showing existing conditions (one copy signed and sealed); survey must be As-Built and Topographic with Right-of-Way and Easement Vacations Excluded
- Most current recorded plat including amendments. This may be obtained from Broward County Public Records at 115 S. Andrews Ave. Site should be highlighted
- Aerial photo. Must be clear and current with site highlighted
- Plans "A" thru "G" as listed under Technical Specifications
  - A. Site Plan
  - B. Details
  - C. Floor Plans
  - D. Building Elevations
  - E. Additional Renderings
  - F. Landscape Plans
  - G. Photometric Diagram

**Note:** All copy sets must be clear and legible. If original set is in color, copy sets must also be in color.

**Note:** All items above (with the exception of proof of ownership, agent letter, color photographs, narratives and Land Use and Zoning maps) should be on 24" x 36" plan size sheets. Plan sets must be bound, stapled and folded to 8 ½" x 11". The remaining documents can be 8 ½" x 11" and should be stapled, bound, or in a folder.

**Note:** Two (2) sets reduced to 11" x 17" of all plan sheets are required.

**Note:** **Thirteen (13) reduced sets that are ½ size of all plan sheets required.**

**Note:** For any development proposal located in the Central Beach Districts, provide one (1) copy of information requested in ULDR Section 47-12.6.D.1 a thru j.

**Note:** Civil Engineering plans are only required at final DRC sign-off. Contact DRC Engineering Representative for details.

**Note:** For examples of project narratives, site plan data tables, and renderings required with your application, please refer to the "Submittal Reference Book" available at the Planning & Zoning Department office.

## SIGN NOTICE

Applicant must **POST SIGNS** (for Planning and Zoning Board and City Commission Hearings) according to Sec. 47-27.4.

- Sign Notice shall be given by the applicant by posting a sign provided by the City stating the time, date and place of the Public Hearing on such matter on the property which is the subject of an application for a development permit. If more than one (1) public hearing is held on a matter, the date, time and place shall be stated on the sign or changed as applicable.
- The sign shall be posted at least fifteen (15) days prior to the date of the public hearing.
- The sign shall be visible from adjacent rights-of-way, including waterways, but excepting alleys.
- If the subject property is on more than one (1) right-of-way, as described above, a sign shall be posted facing each right-of-way.
- If the applicant is not the owner of the property that is subject of the application, the applicant shall post the sign on or as near to the subject property as possible subject to the permission of the owner of the property where the sign is located or, in a location in the right-of-way if approved by the City.
- Development applications for more than one (1) contiguous development site shall be required to have sign notice by posting one (1) sign in each geographic direction, (north, south, east and west) on the public right-of-way at the perimeter of the area under consideration.
- If the sign is destroyed or removed from the property, the applicant is responsible for obtaining another sign from the City and posting the sign on the property.
- The sign shall remain on the property until final disposition of the application. This shall include any deferral, rehearing, appeal, request for review or hearings by another body. The sign information shall be changed as above to reflect any new dates.
- The applicant shall, five (5) days prior to the public hearing, execute and submit to the department an affidavit of proof of posting of the public notice sign according to this section. If the applicant fails to submit the affidavit the public hearing will be postponed until the next hearing after the affidavit has been supplied.
