

AGREEMENT FOR
CONCESSION SERVICES (FOOD & BEVERAGE), MILLS POND PARK

THIS AGREEMENT, made this 30th day of July 2014, is by and between the City of Fort Lauderdale, a Florida municipality, ("City"), whose address is 100 North Andrews Avenue, Fort Lauderdale, FL 33301-1016, and Professional Concessions, Inc., a Florida corporation ("Contractor" or "Company"), whose address and phone number are 800 NE 8 Street, Fort Lauderdale, Florida 33304, Phone: 954-566-8557, Fax: 954-566-0966, Email: manierid@bellsouth.net.

NOW THEREFORE, for and in consideration of the mutual promises and covenants set forth herein and other good and valuable consideration, the City and the Contractor covenant and agree as follows:

WITNESSETH:

I. DOCUMENTS

The following documents (collectively "Contract Documents") are hereby incorporated into and made part of this Agreement (Form P-0001):

- (1) Request for Proposal No. 545-11383, Concession Services (food & Beverage), Mills Pond Park, including any and all addenda, prepared by the City of Fort Lauderdale, ("RFP" or "Exhibit A").
- (2) The Contractor's response to the RFP, dated April 1, 2014, ("Exhibit B").

All Contract Documents may also be collectively referred to as the "Documents." In the event of any conflict between or among the Documents or any ambiguity or missing specifications or instruction, the following priority is established:

- A. First, specific direction from the City Manager (or designee)
- B. Second, this Agreement (Form P-0001) dated July 30, 2014, and any attachments.
- C. Third, Exhibit A
- D. Fourth, Exhibit B

II. SCOPE

The Contractor shall perform the Work under the general direction of the City as set forth in the Contract Documents.

Unless otherwise specified herein, the Contractor shall perform all Work identified in this Agreement. The parties agree that the scope of services is a description of Contractor's obligations and responsibilities, and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable.

Contractor acknowledges and agrees that the City's Contract Administrator has no authority to make changes that would increase, decrease, or otherwise modify the Scope of Services to be provided under this Agreement.

By signing this Agreement, the Contractor represents that it thoroughly reviewed the documents incorporated into this Agreement by reference and that it accepts the description of the Work and the conditions under which the Work is to be performed.

PCI proposes the following capital improvements during the first three months as specified in the RFP:

• Install three lighted outdoor ceiling fans under existing awning:	\$ 975.00
• Electrical work for ceiling fan installation	\$1,078.00
• Install three new LED flat screen TV sets	\$ 843.00
• Provide 2 new 8' picnic tables to match existing picnic tables	\$1,895.00
• Provide 2 new hex tables in front of existing deck area	\$1,620.00
• Provide 6 outdoor umbrellas for hex seating tables	\$1,724.00
Total	<u>\$8,135.00</u>

III. TERM OF AGREEMENT

The initial contract period shall commence on July 19, 2014, and shall end on July 18, 2015. In the event the term of this Agreement extends beyond the end of any fiscal year of City, to wit, September 30th, the continuation of this Agreement beyond the end of such fiscal year shall be subject to both the appropriation and the availability of funds.

IV. COMPENSATION

The Contractor agrees to provide the services and/or materials as specified in the Contract Documents at the cost specified in Exhibit B. It is acknowledged and agreed by Contractor that this amount is the maximum payable and constitutes a limitation upon City's obligation to compensate Contractor for Contractor's services related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort upon Contractor's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services. Except as otherwise provided in the solicitation, no amount shall be paid to Contractor to reimburse Contractor's expenses.

V. METHOD OF BILLING AND PAYMENT

Contractor may submit invoices for compensation no more often than monthly, but only after the services for which the invoices are submitted have been completed. An original invoice plus one copy are due within fifteen (15) days of the end of the month except the final invoice which must be received no later than sixty (60) days after this Agreement expires. Invoices shall designate the nature of the services performed and/or the goods provided.

City shall pay Contractor within forty-five (45) days of receipt of Contractor's proper invoice, as provided in the Florida Local Government Prompt Payment Act.

To be deemed proper, all invoices must comply with the requirements set forth in this Agreement and must be submitted on the form and pursuant to instructions prescribed by the City's Contract

Administrator. Payment may be withheld for failure of Contractor to comply with a term, condition, or requirement of this Agreement.

Notwithstanding any provision of this Agreement to the contrary, City may withhold, in whole or in part, payment to the extent necessary to protect itself from loss on account of inadequate or defective work that has not been remedied or resolved in a manner satisfactory to the City's Contract Administrator or failure to comply with this Agreement. The amount withheld shall not be subject to payment of interest by City.

VI. GENERAL CONDITIONS

A. Indemnification

Contractor shall protect and defend at Contractor's expense, counsel being subject to the City's approval, and indemnify and hold harmless the City and the City's officers, employees, volunteers, and agents from and against any and all losses, penalties, fines, damages, settlements, judgments, claims, costs, charges, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any act or omission by the Contractor or by any officer, employee, agent, invitee, subcontractor, or sublicensee of the Contractor. The provisions and obligations of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the City Manager, any sums due Contractor under this Agreement may be retained by City until all of City's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by City.

B. Intellectual Property

Contractor shall protect and defend at Contractor's expense, counsel being subject to the City's approval, and indemnify and hold harmless the City from and against any and all losses, penalties, fines, damages, settlements, judgments, claims, costs, charges, royalties, expenses, or liabilities, including any award of attorney fees and any award of costs, in connection with or arising directly or indirectly out of any infringement or allegation of infringement of any patent, copyright, or other intellectual property right in connection with the Contractor's or the City's use of any copyrighted, patented or un-patented invention, process, article, material, or device that is manufactured, provided, or used pursuant to this Agreement. If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.

C. Termination for Cause

The aggrieved party may terminate this Agreement for cause if the party in breach has not corrected the breach within ten (10) days after written notice from the aggrieved party identifying the breach. The City Manager may also terminate this Agreement upon such notice as the City Manager deems appropriate under the circumstances in the event the City Manager determines that termination is necessary to protect the public health or safety. The parties agree that if the City erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

This Agreement may be terminated for cause for reasons including, but not limited to, Contractor's repeated (whether negligent or intentional) submission for payment of false or incorrect bills or invoices, failure to perform the Work to the City's satisfaction; or failure to continuously perform the work in a manner calculated to meet or accomplish the objectives as set forth in this Agreement.

D. Termination for Convenience

The City reserves the right, in its best interest as determined by the City, to cancel this contract for convenience by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. In the event this Agreement is terminated for convenience, Contractor shall be paid for any services performed to the City's satisfaction pursuant to the Agreement through the termination date specified in the written notice of termination. Contractor acknowledges and agrees that he/she/it has received good, valuable and sufficient consideration from City, the receipt and adequacy of which are hereby acknowledged by Contractor, for City's right to terminate this Agreement for convenience.

E. Cancellation for Unappropriated Funds

The City reserves the right, in its best interest as determined by the City, to cancel this contract for unappropriated funds or unavailability of funds by giving written notice to the Contractor at least thirty (30) days prior to the effective date of such cancellation. The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise provided by law.

F. Insurance

The Contractor shall furnish proof of insurance requirements as indicated below. The coverage is to remain in force at all times during the contract period. The following minimum insurance coverage is required. The commercial general liability insurance policy shall name the City of Fort Lauderdale, a Florida municipality, as an "additional insured." This MUST be written in the description section of the insurance certificate, even if there is a check-off box on the insurance certificate. Any costs for adding the City as "additional insured" shall be at the Contractor's expense.

The City of Fort Lauderdale shall be given notice 10 days prior to cancellation or modification of any required insurance. The insurance provided shall be endorsed or amended to comply with this notice requirement. In the event that the insurer is unable to accommodate, it shall be the responsibility of the Contractor to provide the proper notice. Such notification will be in writing by registered mail, return receipt requested and addressed to the Procurement Services Division.

The Contractor's insurance must be provided by an A.M. Best's "A-" rated or better insurance company authorized to issue insurance policies in the State of Florida, subject to approval by the City's Risk Manager. Contractor shall comply, and shall secure compliance by its employees, agents, and subcontractors, with all applicable environmental, health, safety and security laws and regulations, and performance conditions in this Agreement. Compliance with such requirements shall represent the minimum standard required of Contractor. Contractor shall be responsible for examining all requirements and determine whether additional or more stringent environmental, health, safety and security provisions are required for the Work. Contractor agrees to utilize protective devices as required by applicable laws, regulations, and any industry or Contractor's health and safety plans and regulations, and to pay the costs and expenses thereof, and warrants that all such persons shall be fit and qualified to carry out the Work.

I. Rights in Documents and Work

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of City; and Contractor disclaims any copyright in such materials. In the event of and upon termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by Contractor, whether finished or unfinished, shall become the property of City and shall be delivered by Contractor to the City's Contract Administrator within seven (7) days of termination of this Agreement by either party. Any compensation due to Contractor shall be withheld until Contractor delivers all documents to the City as provided herein.

J. Audit Right and Retention of Records

City shall have the right to audit the books, records, and accounts of Contractor and Contractor's subcontractors that are related to this Agreement. Contractor shall keep, and Contractor shall cause Contractor's subcontractors to keep, such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement. All books, records, and accounts of Contractor and Contractor's subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, Contractor or Contractor's subcontractor, as applicable, shall make same available at no cost to City in written form.

Contractor and Contractor's subcontractors shall preserve and make available, at reasonable times for examination and audit by City in Broward County, Florida, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida public records law, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of

the audit findings. If the Florida public records law is determined by City to be applicable to Contractor and Contractor's subcontractors' records, Contractor and Contractor's subcontractors shall comply with all requirements thereof; however, Contractor and Contractor's subcontractors shall violate no confidentiality or non-disclosure requirement of either federal or state law. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for City's disallowance and recovery of any payment upon such entry.

Contractor shall, by written contract, require Contractor's subcontractors to agree to the requirements and obligations of this Section.

The Contractor shall maintain during the term of the contract all books of account, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract.

K. Public Entity Crime Act

Contractor represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, as may be amended from time to time, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to City, may not submit a bid on a contract with City for the construction or repair of a public building or public work, may not submit bids on leases of real property to City, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with City, and may not transact any business with City in excess of the threshold amount provided in Section 287.017, Florida Statutes, as may be amended from time to time, for category two purchases for a period of 36 months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by City pursuant to this Agreement, and may result in debarment from City's competitive procurement activities.

L. Independent Contractor

Contractor is an independent contractor under this Agreement. Services provided by Contractor pursuant to this Agreement shall be subject to the supervision of the Contractor. In providing such services, neither Contractor nor Contractor's agents shall act as officers, employees, or agents of City. No partnership, joint venture, or other joint relationship is created hereby. City does not extend to Contractor or Contractor's agents any authority of any kind to bind City in any respect whatsoever.

M. Inspection and Non-Waiver

Contractor shall permit the representatives of CITY to inspect and observe the Work at all times.

The failure of the City to insist upon strict performance of any other terms of this Agreement or to exercise any rights conferred by this Agreement shall not be construed by Contractor as a waiver of the City's right to assert or rely on any such terms or rights on any future occasion or as a waiver of any other terms or rights.

N. Assignment and Performance

Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered without the written consent of the other party. In addition, Contractor shall not subcontract any portion of the work required by this Agreement, except as provided in the Schedule of Subcontractor Participation. City may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by Contractor of this Agreement or any right or interest herein without City's written consent.

Contractor represents that each person who will render services pursuant to this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and that each such person is reasonably experienced and skilled in the area(s) for which he or she will render his or her services.

Contractor shall perform Contractor's duties, obligations, and services under this Agreement in a skillful and respectable manner. The quality of Contractor's performance and all interim and final product(s) provided to or on behalf of City shall be comparable to the best local and national standards.

In the event Contractor engages any subcontractor in the performance of this Agreement, Contractor shall ensure that all of Contractor's subcontractors perform in accordance with the terms and conditions of this Agreement. Contractor shall be fully responsible for all of Contractor's subcontractors' performance, and liable for any of Contractor's subcontractors' non-performance and all of Contractor's subcontractors' acts and omissions. Contractor shall defend at Contractor's expense, counsel being subject to City's approval or disapproval, and indemnify and hold City and City's officers, employees, and agents harmless from and against any claim, lawsuit, third party action, fine, penalty, settlement, or judgment, including any award of attorney fees and any award of costs, by or in favor of any of Contractor's subcontractors for payment for work performed for City by any of such subcontractors, and from and against any claim, lawsuit, third party action, fine, penalty, settlement, or judgment, including any award of attorney fees and any award of costs, occasioned by or arising out of any act or omission by any of Contractor's subcontractors or by any of Contractor's subcontractors' officers, agents, or employees. Contractor's use of subcontractors in connection with this Agreement shall be subject to City's prior written approval, which approval City may revoke at any time.

O. Conflicts

Neither Contractor nor any of Contractor's employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with Contractor's loyal and conscientious exercise of judgment and care related to Contractor's performance under this Agreement.

Contractor further agrees that none of Contractor's officers or employees shall, during the term of this Agreement, serve as an expert witness against City in any legal or administrative proceeding in which he, she, or Contractor is not a party, unless compelled by court process. Further, Contractor agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of City in connection with any such pending or

threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude Contractor or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

In the event Contractor is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, Contractor agrees to require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as Contractor.

P. Schedule and Delays

Time is of the essence in this Agreement. By signing, Contractor affirms that it believes the schedule to be reasonable; provided, however, the parties acknowledge that the schedule might be modified as the City directs.

Q. Materiality and Waiver of Breach

City and Contractor agree that each requirement, duty, and obligation set forth herein was bargained for at arm's-length and is agreed to by the parties in exchange for *quid pro quo*, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

City's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

R. Compliance With Laws

Contractor shall comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing Contractor's duties, responsibilities, and obligations pursuant to this Agreement.

S. Severance

In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid or unenforceable, the provisions not having been found by a court of competent jurisdiction to be invalid or unenforceable shall continue to be effective.

T. Limitation of Liability

The City desires to enter into this Agreement only if in so doing the City can place a limit on the City's liability for any cause of action for money damages due to an alleged breach by the City of this Agreement, so that its liability for any such breach never exceeds the sum of \$1,000. Contractor hereby expresses its willingness to enter into this Agreement with Contractor's recovery from the City for any damage action for breach of contract or for any action or claim arising from this Agreement to be limited to a maximum amount of \$1,000 less the amount of all funds actually paid by the City to Contractor pursuant to this Agreement.

Accordingly, and notwithstanding any other term or condition of this Agreement, Contractor hereby agrees that the City shall not be liable to Contractor for damages in an amount in excess of \$1,000 which amount shall be reduced by the amount actually paid by the City to Contractor pursuant to this Agreement, for any action for breach of contract or for any action or claim arising out of this Agreement. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Section 768.28, Florida Statutes.

U. Jurisdiction, Venue, Waiver, Waiver of Jury Trial

This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Venue for any lawsuit by either party against the other party or otherwise arising out of this Agreement, and for any other legal proceeding, shall be in the Seventeenth Judicial Circuit in and for Broward County, Florida, or in the event of federal jurisdiction, in the Southern District of Florida, Fort Lauderdale Division.

In the event Contractor is a corporation organized under the laws of any province of Canada or is a Canadian federal corporation, the City may enforce in the United States of America or in Canada or in both countries a judgment entered against the Contractor. The Contractor waives any and all defenses to the City's enforcement in Canada of a judgment entered by a court in the United States of America.

V. Amendments

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the Mayor-Commissioner and/or City Manager, as determined by City Charter and Ordinances, and Contractor or others delegated authority to or otherwise authorized to execute same on their behalf.

W. Prior Agreements

This document represents the final and complete understanding of the parties and incorporates or supersedes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The parties agree that there is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representation or agreement, whether oral or written.

X. Payable Interest

Except as required and provided for by the Florida Local Government Prompt Payment Act, City shall not be liable for interest for any reason, whether as prejudgment interest or for any other purpose, and in furtherance thereof Contractor waives, rejects, disclaims and surrenders any and all entitlement it has or may have to receive interest in connection with a dispute or claim based on or related to this Agreement.

Y. Representation of Authority

Each individual executing this Agreement on behalf of a party hereto hereby represents and warrants that he or she is, on the date he or she signs this Agreement, duly

authorized by all necessary and appropriate action to execute this Agreement on behalf of such party and does so with full legal authority.

AA. Uncontrollable Circumstances ("Force Majeure")

The City and Contractor will be excused from the performance of their respective obligations under this agreement when and to the extent that their performance is delayed or prevented by any circumstances beyond their control including, fire, flood, explosion, strikes or other labor disputes, act of God or public emergency, war, riot, civil commotion, malicious damage, act or omission of any governmental authority, delay or failure or shortage of any type of transportation, equipment, or service from a public utility needed for their performance, provided that:

A. The non performing party gives the other party prompt written notice describing the particulars of the Force Majeure including, but not limited to, the nature of the occurrence and its expected duration, and continues to furnish timely reports with respect thereto during the period of the Force Majeure;

B. The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;

C. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure; and

D. The non-performing party uses its best efforts to remedy its inability to perform. Notwithstanding the above, performance shall not be excused under this Section for a period in excess of two (2) months, provided that in extenuating circumstances, the City may excuse performance for a longer term. Economic hardship of the Contractor will not constitute Force Majeure. The term of the agreement shall be extended by a period equal to that during which either party's performance is suspended under this Section.

BB. Scrutinized Companies

Subject to *Odebrecht Construction, Inc., v. Prasad*, 876 F.Supp.2d 1305 (S.D. Fla. 2012), affirmed, *Odebrecht Construction, Inc., v. Secretary, Florida Department of Transportation*, 715 F.3d 1268 (11th Cir. 2013), this Section applies to any contract for goods or services of \$1 million or more:

The Contractor certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in section 287.135, Florida Statutes (2013), as may be amended or revised. The City may terminate this Contract at the City's option if the Contractor is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2013), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or has been engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2013), as may be amended or revised.

CC. Public Records

Contractor shall:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service.
- (b) Provide the public with access to public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes (2013), as may be amended or revised, or as otherwise provided by law.
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- (d) Meet all requirements for retaining public records and transfer, at no cost, to the City, all public records in possession of the contractor upon termination of this contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the City.

Preliminary Scope of Services

PCI completely understands the services needed at Mills Pond Park. We have operated concessions for softball league and tournament play at Mills Pond for thirteen years. We know the service and quality that everyone expects, and we provide it with a friendly, courteous staff. Our customers want fresh food and drinks at reasonable prices. They expect us to be open when they arrive and stay open until they leave. Our special events team has set up satellite locations numerous times for major tournaments including the Hurricane Showdown and NAGAA World Series.

In addition to establishing an excellent working relationship with City of Fort Lauderdale staff at Mills Pond Park, we have also established great relations with the various tournament directors who organize and promote weekend tournaments. This tournament revenue consists of a large percentage of our gross sales per year. It is important for them to have quality concessions available for the teams they host considering many of them are from out of town.

Our catering division has provided service to the Park for various luncheons, team picnics, and special events. SFAAA, one of the Parks best clients, looks to PCI for all of their catering needs as well as team and tournament sponsorship. From Turf Rodeo, Pridefest and the VW Car Show, PCI has serviced them all and has a long list of happy clients!

Statement of Qualifications

Professional Concessions Inc., (PCI) is pleased to submit this proposal for food and beverage concessions at Mills Pond Park.

PCI is a Fort Lauderdale based company in our twenty-eighth year of operating food, beverage, and merchandising accounts primarily in Broward, Palm Beach, and Dade Counties. Our business experience has now taken us to Orlando, St. Augustine, and Ponte Vedra. Our special events experience ranges nationwide. PCI is uniquely qualified for this task for the following reasons:

- 1) PCI has a long history of excellent service to the City of Fort Lauderdale at Mills Pond Park and other City facilities. We have been the concessionaire at Mills Pond Park for the past thirteen years and have enjoyed a wonderful relationship with Park management, staff, tournament directors, umpires, and our mutual customers. Our current contracts with the City include Mills Pond Park, War Memorial Auditorium, Emergency Services Catering, and Special Event Concessions. Over the past twenty-eight years our agreements with the City have also included Fort Lauderdale Stadium, Lockhart Stadium and the Hall of Fame Aquatic Complex. We are a City of Fort Lauderdale based company that utilizes local employees and suppliers. Our record of performance for the City speaks for itself. Our performance bond for the amount of \$25,000 has been in effect since 1985. PCI, on its' own initiative and expense, has made capital improvements as well as significant equipment investments to enhance concessions areas of City owned facilities. We look forward to the opportunity to provide more new ideas, equipment, and improvements to the facilities at Mills Pond Park.
- 2) PCI is a Fort Lauderdale firm with one of our officers assigned to directly supervise each account. Dennis Manieri, C.E.O. of Professional Concessions Inc and a thirty five-year resident of the City of Fort Lauderdale will have direct responsibility for this account. Park management will be able to communicate with him directly to provide the best service to their patrons. Mr. Manieri has an extensive background in concessions operations, is

readily available, and will be responsible for coordinating the PCI team for serving Mills Pond Park events. The combined experience of the PCI principals and staff gives a quality of management unsurpassed by any organization. No corporate shuffles of managers and key personnel found with larger companies. No long chains of command in decision-making. We don't have to call "Corporate" and wait several days for decisions to be made – We make the decisions! Our principals have combined experience in food and beverage concessions totaling over fifty years and our staff are composed of several key concessions veterans.

- 3) PCI has the ability, equipment, staff, and expertise needed to provide service to the Park in all three major categories needed; **Concessions, Catering, and Special Events**. Our Concessions ability speaks for itself – a long list of satisfied clients, many of whom we have been serving for over fifteen years consecutively. Our catering staff has performed many events for City facility grand openings, luncheons, and meetings. Our Special Events division has been called in to duty for national softball tournaments, car shows, concerts, water ski tournaments and various other special events at the Park. Smaller companies CAN'T do it, National companies TRY to do it, but PCI actually MAKES IT HAPPEN!
- 4) PCI has a reputation for service. In our twenty-eight years of operation, we have dramatically improved the concessions quality and revenues at numerous South Florida accounts. In addition to War Memorial Auditorium and Mills Pond Park, we have several accounts at familiar venues from Homestead to St Augustine. Our special events team is also active in everything from Indy Car to Super Bowls and Boat Shows.

PCI is an owner-operated firm able to provide friendly, personal service, increased revenues, and worry free concession for its clients. PCI takes great pride in providing friendly, efficient, high quality service to customers at all of our accounts. This commitment has earned the company an excellent reputation in the industry in a relatively short time. It is this reputation that PCI feels is our number one asset. In order to continue growing, PCI realizes this commitment to service is essential. That puts the goals of the company squarely in line with the goals of the City of Fort Lauderdale, to provide the best possible concessions services and atmosphere to the patrons of Mills Pond Park.

Flexibility is another trait, which has helped in the renewal of PCI contracts at several venues. At each account, PCI officers and managers keep in close contact with facilities management. This communication allows PCI to tailor our service at each account to meet any special needs that may arise. Having managed virtually all types of events, PCI has the expertise to handle any concession task.

Given PCI's history of great service to the City of Fort Lauderdale and our excellent working relationship, we look forward to being able renew our agreement to serve the City at Mills Pond Park for an extended period. PCI can provide the on-site management and equipment, coupled with a vast amount of experience that will truly enhance the concessions operations at the park and provide the consistency that has given us our success during the past twenty-five years. Regardless of the event, PCI will provide a clean, well-stocked operation, and a courteous staff. PCI has always considered Mills Pond Park as "Our Home Base" and look forward to continuing a long and profitable relationship in the future.

LOCKHART STADIUM – 5501 NW 12 Ave., Ft. Lauderdale, FL 33309.

Lockhart was the home of the Ft. Lauderdale Strikers of the North American Soccer League during PCI's tenure from 1982-1989. PCI held the food and beverage rights through a contract with the City of Ft. Lauderdale until the Stadium was sold in 1989 to the Broward County School Board. We continued our services for the school board until 1990 when PCI returned as the official concessionaire for the Miami Fusion, School Board, and City events. We are now the concessionaire at Lockhart for the Fort Lauderdale Strikers and their parent company Traffic Sports Inc. The stadium is also the site for, international soccer matches, band & cheerleading competitions, high school sports, Miami Dolphins and Miami Hurricane scrimmages, and a variety of other events. Contact: Mr. Tim Robbie, Stadium Manager, (954) 606-0418

BERGERON RODEO ARENA – 6591 SW 45 St. Davie, FL 33314 Capacity 7,500.

PCI is currently in its tenth year as the concessionaire for the Town of Davie at this South Florida landmark. PCI took over from a large national concessionaire who showed absolutely no interest in the operation of the venue or its customers. Town officials looked to PCI to provide the type of service the patrons deserve and PCI delivered! With capital improvements, new menus, a cleaner operation, and the PCI commitment to service, the Rodeo Arena concessions took on a whole new look. Town officials are so happy, they have extended PCI's contract again in 2013. Five Star Rodeo, Orange Blossom Festival, wrestling, dog shows, arts & craft shows, local rodeo, concerts.... The list goes on and on! If you are ever considering hiring a large national concessionaire for your "smaller" sized venue, you should first contact: Matt Modzlnsky, Special Projects Director, Town of Davie (954) 797-1163

SOUTH FLORIDA FAIRGROUNDS & EXPO CENTER - 9067 Southern Blvd., West Palm Beach, FL 33411. This is PCI's largest account. POS/Register Control System

PCI understands the importance of strict cash control procedures. We currently use Sharp/Casio programmable cash registers to provide cash and inventory control. We have had great success with these units at several of our other venues. This is an example of an end of shift printout from the register which is reported monthly by day to Parks and Recreation management.

Past Accounts/Additional Business Experience

FORT LAUDERDALE STADIUM – 5301 NW 12TH Avenue, Ft. Lauderdale, 33309.

Capacity 8000. PCI provided full service concessions, clubhouse service, and catering for the Baltimore Orioles spring training operations for their first three years in Fort Lauderdale. Once again PCI replaced a large national company with little or no interest in the operation. Oriole and City officials were so pleased, they extended PCI's contract for two additional terms. PCI remained on as the concessionaire for the City of Fort Lauderdale until the stadium was leased to the Baltimore Orioles in 2003. PCI made extensive investments in equipment on its own initiative in order to provide the best possible service to the fans at Ft. Lauderdale Stadium events. City of Ft. Lauderdale, Ms. Debbie Bylica (954) 683-3357.

ORANGE BOWL STADIUM – 1501 NW 3rd Street, Miami, FL 33125 Capacity 80,000

PCI and its corporate officers have held a variety of concessions management positions in the Orange Bowl Stadium for over twenty years. PCI officers began working concessions there in the 1970's. Our officers managed the stadium concessions operations for the Miami Dolphins in the 1980's and once PCI was founded, we continued to hold the contract with the City of Miami for exclusive merchandising rights for the January 1st FedEx Orange Bowl Game and University of Miami games. PCI handled this task every year from 1987 to 1996 and was awarded a five-year contract with an additional five-year option. You name it and we've done it at the Orange Bowl Stadium! Contact: Ms. Ileana Gomez (305) 643-7100.

HOMESTEAD SPORTS COMPLEX – 1601 SE 28 Avenue, Homestead, FL.

Capacity: 8,000. PCI had a contract with the City of Homestead for five years to operate food, beverage and merchandising concessions at this new multi-million dollar baseball facility including practice field and softball areas. The Sports Complex is host every spring to the 70 team Homestead Challenge Baseball Tournament. PCI was selected for the permanent spring training contract with the Cleveland Indians and had been the concessionaire for all major events at the stadium since it's opening in 1990. PCI's tenure ended when the City leased the stadium to a private promotions company in 2001. Contact: City of Homestead Parks and Recreation (305) 247-1801.

We have participated in all major events including the Jiffy Lube 300, Grand Prix of Miami, Super Truck Series, and Winston Cup Series. Sales for Winston Cup were in excess of \$200,000. PCI could always be depended upon to provide the maximum revenue from hawking operations. Contact: Mr. Tuck Axelrod, National Concessions Company, (216) 881-9911.

FLORIDA ATLANTIC UNIVERSITY ATHLETICS - 777 Glades Road, Boca Raton, FL 33431.

PCI is starting its second year as concessionaire for athletics on FAU's main campus in Boca Raton. FAU needed help in upgrading their operation and providing consistent service and quality at all baseball, softball, basketball, soccer, and other athletic events. PCI rose to the occasion with great results over the past year. Our contract was just recently renewed. PCI's special events trailers provide clean efficient service in areas where no permanent concession stands are located. Contact: Ms. Melissa Dawson, Assistant Athletic Director, FAU Athletic Department, (561) 297-2683.

WALT DISNEY WORLD SPEEDWAY – 1 World Drive, Orlando, FL Capacity 32,000

The Disney Magic Kingdom transformed this tri-oval into a major happening twice a year. Located adjacent to the entrance of the Magic Kingdom Theme Park, the NASCAR truck series race and the IRL Indy car race provided an extra-added attraction for those central Florida race fans. PCI provided all hawkers for the races held from 1996-1999. PCI rose to the occasion with the tough task of keeping both the fans and Disney management happy! Sales were great but the January weather wasn't. Disney officials stopped racing at the close of the 1999 season. Contact: Walt Disney World Speedway, Orlando, FL.

GRAND PRIX OF MIAMI – 1 Biscayne Blvd. Miami, FL. Capacity 41,723

PCI provided all grandstand hawking for this popular downtown street race for Miami Motorsports Inc. Five different hawking locations provided service for the fans. This race was held from the mid 1980's until the new Homestead Miami speedway opened in 1996. Our staff of South Florida hawkers swarmed the grandstands with beer, soft drinks, hot dogs, popcorn & peanuts. Contact: Miami Motorsports, Miami, FL.

GRAND PRIX AMERICAS – Downtown Miami, FL .Capacity 35,000

The CHAMP car series returned to the streets of Miami in September of 2003 and 2004. PCI provided all grandstand hawking for the event weekends. 2003 provided a special challenge as our hawkers had to carry and pour Presidente beer glass bottles for the crowd! Not one complaint the entire weekend! 2004 was much easier as the plastic bottles made hawking a dream. We look forward to the race returning in the future. Contact: Mr. Tom Lundergan TLC Concessions (859) 255-0717.
