Re: Announcement

Dear Ms. Bohlander:

It is with great pleasure and pride that I inform you that I have repurchased CSA Southeast, Inc. from CSA Holdings, Inc. Effective on September 1, 2006, I own 100% of CSA Southeast, Inc, which we have renamed **C.A.P. Government, Inc.**, to more accurately reflect our core business—to provide code compliance, plans review and inspections services for municipalities, school boards and other federal, state and local governments.

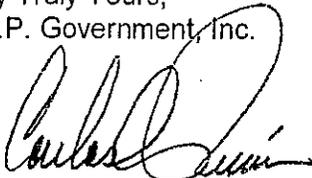

As the pioneer in the field of Building Department outsourcing, I wanted to have an even greater say in how we managed and grew our business and in how we relate with you, our clients. Our goal has been to be free from the constraints of being owned by a holding company involved in other varied and sometimes competing interests. We have accomplished this purpose.

You will continue to receive the same exceptional service from the same qualified individuals whom you have come to know and rely on to get your business done and done right. This change will be seamless to your personnel and to your constituents and we pledge to work even harder to meet and exceed your expectations.

Finally, we have attached to this letter a description of the insurance coverage we have in place after the acquisition, a copy of the State of Florida, Department of Corporations document recording this transaction and a new W-9 Form for C.A.P. Government, Inc. Also please note our new corporate address listed in our letterhead.

If you have any questions, please do not hesitate to contact me on my cell at (305) 458-6000. I will be visiting your offices shortly to personally talk to you about our changes and to ask for your continued loyalty, cooperation and support.

Very Truly Yours,
C.A.P. Government, Inc.
