RE: Extension of current Contract for Wright Express fuel cards, and bulk fuel purchase. RFP # 538049

Dear Josh:

In accordance with the provisions of the original RFP # 538049 the terms & conditions stated the initial period of 3 years starting June 2005, with 2 additional renewals of one year each. We will exercise the option to extend the contract with the same Terms & Conditions to June 2010 which completes the last one year renewal period. This renewal extension will apply to the Wright Express fuel card.

Additionally, the bulk fuel portion of the contract will be extended for one month, through January 31, 2010. Pricing will be based on a daily OPIS index, and the current mark-up as agreed. This will allow any Co-op agencies to purchase Gasoline for four weeks if unable to order from the new contract vendor.

If you agree to this renewal extension term, kindly indicate your acceptance by signature below and return to my attention.

Certificates of insurance should also be updated and provided to the Co-op agencies upon request.

Your prompt attention to this matter is appreciated. Should you have any questions, please contact me by email at [rick.torres@sheriff.org](mailto:rick.torres@sheriff.org) or by phone (954) 831-8170. We look forward to continue a rewarding business relationship.
