The City reserves the right to delete any portion of this Contract at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned. If work has already been accomplished on the portion of the Contract to be deleted, the Contractor shall be paid for the deleted portion on the basis of the estimated percentage of completion of such portion.

If the Contractor and the City agree on modifications or revisions to services, after the City has approved work to begin on such services, and a budget has been established for those services, the Contractor will submit a revised budget to the City for approval prior to proceeding with the work.

21. SUB-CONTRACTORS

If the Contractor proposes to use subcontractors in the course of providing these services to the City, this information shall be a part of the bid response. Such information shall be subject to review, acceptance and approval of the City, prior to any contract award. 22. INSURANCE – SUB-CONTRACTORS

Contractor shall require all of its sub-contractors to provide the aforementioned coverage as well as any other coverage that the contractor may consider necessary, and any deficiency in the coverage or policy limits of said sub-contractors will be the sole responsibility of the contractor.

23. UNCONTROLLABLE CIRCUMSTANCES ("Force Majeure")
