2.09 LIQUIDATED DAMAGES

Failure of the Contractor to perform as described, or to not complete all activities as required and as provided herein, may be just cause for the assessment of damages, as described below, and such damages shall be considered, as liquidated damages.

In the event the Contractor shall not have completed all of the required services as scheduled and outlined in the specifications, the Contractor will be required to make corrections of all discrepancies immediately or no later than the following day. These corrections must be completely performed in accordance with the specification requirements, if not, a deduction for the total cost for that location will be deducted from the Contractor's monthly invoice.
