

CITY OF FORT LAUDERDALE

Construction Update

HENDRICKS ISLE WATER MAIN REPLACEMENT PROJECT

The City of Fort Lauderdale and Murphy Pipeline Contractors are nearing the final stages of this project.

Roadway Restoration – September 2026

Roadway restoration and the installation of speed cushions are scheduled for Monday, September 14 through Friday, September 18, from 7 a.m. to 7 p.m. daily. This schedule is subject to change based on inclement weather or other unforeseen conditions.

Work Schedule & Parking Restrictions

All on-street parking is prohibited along the entire length of Hendricks Isle between 7 a.m. and 7 p.m., Monday through Friday. Work will be conducted one lane at a time, requiring the opposite lane to remain completely open as an active travel lane. Vehicles parked along the road during work hours are subject to towing.

East Side of Hendricks Isle

- Milling: Mon., Sept. 14
- Paving: Thu., Sept. 17

West Side of Hendricks Isle

- Milling: Tue., Sept. 15
- Paving: Wed., Sept. 16

All Hendricks Isle: Fri. Sept. 18

- Temporary striping
- Install speed cushions
- Site cleanup

What to Expect

- **Traffic & Driveways:** Traffic control personnel will maintain alternating two-way traffic through the single open travel lane. Crews will coordinate in advance of work that will impact driveway access. Please follow posted signs and drive with caution.
- **Permanent Pavement Markings:** Crews will return approximately 30 days after paving to apply final permanent pavement markings.

We apologize in advance for any inconvenience and thank you for your patience. See updates on this project at ftlcity.info/hendricks.
