

Notice: Upcoming Restoration

SEWER FORCE MAIN REPLACEMENT ON SE 12TH AVE., E. LAS OLAS BLVD., & TARPON DR.

Road and landscaping restoration is scheduled to begin on Monday, June 22 and is expected to be completed by Wednesday, June 24. Full road closures described below will be necessary to complete this work.

Crews will return to the area in approximately 30 days to apply final pavement markings, which will require brief, temporary lane closures. This schedule is subject to change based on inclement weather or other unforeseen circumstances.

Intermittent noise from heavy machinery, equipment and backup alarms is expected. Temporary lights will be used to illuminate the work area. The contractor will take measures to reduce light and noise impacts for surrounding properties.

This restoration phase follows the completion of a recent project by the City of Fort Lauderdale and Southern Underground Industries that replaced approximately 500 feet of sewer force main in the Colee Hammock neighborhood.

Traffic Impacts

Monday, June 22 at 8 p.m. until approximately 6 a.m. on Tuesday, June 23

- **Westbound E. Las Olas Boulevard:** Closed between Tarpon Drive and SE 12th Avenue
