

ALLEY ASPHALT IMPROVEMENT PROJECT IN CORAL RIDGE COUNTRY CLUB ESTATES

The City of Fort Lauderdale is working with All County Paving to resurface the road and apply new pavement markings along the alley between E. Commercial Boulevard and NE 49th Street from Bayview Drive to Dupont Boulevard in Coral Ridge Country Club Estates.

Construction will begin on Thursday, July 10, 2025, and is expected to be completed by Friday, July 11, 2025. Work will take place on weekdays between 8 a.m. and 5 p.m. This schedule is subject to change based on inclement weather or other unforeseen circumstances.

Traffic Impacts

- Neighbors are asked to refrain from parking along the alley during work hours.
- One lane in each direction of the alley will be closed daily during work hours.
- Traffic control personnel will direct traffic as needed.
- Access to driveways will be maintained unless work is taking place in the immediate area across from the driveway. Crews will attempt to coordinate with nearby properties prior to the start of asphalt operations that will impact driveway access.
- Please follow posted signs and drive with caution in the area.

We apologize in advance for any inconvenience and thank you for your patience during construction. See updates on this and other projects at www.fortlauderdale.gov/news.
