

NE 49TH STREET STORMWATER IMPROVEMENTS PROJECT

The City of Fort Lauderdale and David Mancini & Sons, Inc. are making improvements to the stormwater system along NE 49th Street east of Bayview Drive in Coral Ridge Country Club Estates. The work includes:

- Replacing an existing outfall pipe
- Restoring impacted landscaping

Schedule & Hours

- **Timeline:** Monday, August 3, 2026 – Friday, August 31, 2026
- **Hours:** Mon. – Fri., 7 a.m. to 5 p.m.
- **Note:** Schedule is subject to change due to weather or unforeseen conditions.

What to Expect

- **Intermittent noise:** Neighbors should expect noise from heavy machinery, equipment and backup safety alarms.
- **Dusty conditions:** Digging will be required to replace the outfall pipe, which may create dust around the work site.

Traffic Impacts

- **Lane Closures:** The eastbound lane of NE 49th Street between Bayview Drive and E. Commercial Boulevard may be closed daily during work hours.
- **Driveways:** Access will be maintained unless active construction is occurring directly opposite a driveway, in which case crews will coordinate locally beforehand.
- **Safety:** Traffic control personnel will direct traffic near the work area. Please follow posted signs and drive with caution.

We apologize in advance for any inconvenience and thank our neighbors for their patience during construction. To see updates on City projects, visit [fortlauderdale.gov/news](https://www.fortlauderdale.gov/news).
