

SEWER FORCE MAIN REPLACEMENT ON SE 12TH AVE., E. LAS OLAS BLVD., & TARPON DR.

The City of Fort Lauderdale and Southern Underground Industries are making improvements to the sewer system in Colee Hammock. This project includes:

- Replacing approximately 500 feet of sewer force main
- Restoring impacted asphalt and landscaping

Construction of the new pipe as part of this emergency project will begin on Wednesday, June 3 and is expected to be completed by Saturday, June 6. Final restoration is expected to be completed by late June 2026. This schedule is subject to change based on inclement weather or other unforeseen circumstances. Neighbors will be notified when final restoration activities are scheduled.

Intermittent noise from heavy machinery, equipment and backup alarms is expected. Temporary lights will be used to illuminate the work area. The contractor will take measures to reduce light and noise impacts for surrounding properties.
