

CITY OF FORT LAUDERDALE

Downtown Mobility Streetscape Public Meeting

THURSDAY, MAY 17, 2018 | 5:30 – 7 PM

Fort Lauderdale City Hall, 3rd Floor

100 N. Andrews Avenue, Fort Lauderdale, Florida 33301

The City of Fort Lauderdale is hosting an open-house style public meeting to present the preliminary design concept for the Downtown Mobility Streetscape Project. The project encompasses an area generally bound by W. Broward Boulevard, N. Andrews Avenue, N.W. 4th Street and the Florida East Coast Railway, located east of N.W. 2nd Avenue.

Neighbors are invited to share their thoughts on proposed project improvements, which include sidewalks, landscaping, and lighting.

This project compliments the City's sustainability and Vision Zero initiatives, as well as offers an opportunity to consider future transit-oriented development.

Following the meeting, comments may be submitted by mail or email to Matthew Kudrna, Project Manager, City of Fort Lauderdale, Transportation and Mobility Department, 209 N.E. 3rd Avenue, Fort Lauderdale, FL 33301 or mkudrna@fortlauderdale.gov by May 25, 2018.
