Precautionary Boil Water Notice
E. Broward & SE 8 Avenue

City of Fort Lauderdale crews are working on emergency repairs to a water main in the area of E. Broward & SE 8th Avenue. Work is to continue through the overnight hours and is expected to be completed by 5:00 pm on Wednesday.

As a precaution, the City of Fort Lauderdale, in consultation with the Florida Department of Environmental Protection, is issuing a PRECAUTIONARY BOIL WATER NOTICE to the area below highlighted on the map.

This “Precautionary Boil Water Notice” will remain in effect until bacteriological surveys show that the water is safe to drink.

Residents are advised that all water used for drinking, cooking, making ice, brushing teeth, or washing dishes be boiled. A rolling boil of one minute is sufficient. As an alternative, bottled water may be used.
