Precautionary Boil Water Notice
Effective Immediately
800 E. Broward Boulevard

February 17, 2020 – City of Fort Lauderdale crews are performing emergency repairs on a 6-inch water main in the area of 800 E. Broward Boulevard. Properties highlighted in the map below will experience low or no water pressure while the repairs are being completed.

As a precaution, the City of Fort Lauderdale, as per Florida Administrative Code, F.A.C. 62-555.340(5), is issuing a PRECAUTIONARY BOIL WATER NOTICE effective immediately to the following properties:

- 800 E. Broward Blvd (The Cumberland Building)
- 100 SE 8th Ave
- 104 SE 8th Ave
- 108 SE 8th Ave

The Precautionary Boil Water Notice will remain in effect until two consecutive days of passing test results are received as per Florida Administrative Code.

Residents are advised that all water used for drinking, cooking, making ice, brushing teeth, or washing dishes be boiled. A rolling boil of one minute is sufficient. As an alternative, bottled water may be used.

If you have questions, please call the 24-Hour Neighbor Call Center at 954-828-8000.
