Boundaries Updated for Precautionary Boil Water Notice
EFFECTIVE SATURDAY, AUGUST 29 AT 11 PM
From Las Olas Blvd. South to Holiday Dr. on Fort Lauderdale Beach
Water Service to Be Temporarily Shut Down for Water Main Repair

Fort Lauderdale, Fla. - City of Fort Lauderdale crews are currently performing emergency repairs to a damaged water main in the area of 500 Seabreeze Boulevard on Fort Lauderdale Beach. Customers in the vicinity of A1A from Las Olas Boulevard south to Holiday Drive may experience temporary low water pressure or water service interruptions while the repair work continues to take place.

At 11 p.m. tonight (Saturday, August 29) water service to the properties highlighted on the UPDATED map below will be temporarily shut down to allow crews to complete the repair work during the overnight hours. Water service is expected to be restored to the area by 5 a.m. Sunday, August 30.

While the repairs are being made, one southbound lane of Seabreeze Boulevard in the vicinity of SE 5 Street will remain closed.

As a precaution, the City of Fort Lauderdale, as per Florida Administrative Code, F.A.C. 62-555.340(5), is issuing a PRECAUTIONARY BOIL WATER NOTICE EFFECTIVE SATURDAY, AUGUST 29 AT 11 PM to the properties highlighted on the UPDATED map below. The UPDATED general boundaries of the Precautionary Boil Water Notice are as follows:

North: Las Olas Boulevard
South: Holiday Drive
East: Northbound A1A
West: The west side of Seabreeze Boulevard from Las Olas Boulevard south to Holiday Drive

The Precautionary Boil Water Notice will remain in effect until two consecutive days of passing test results are received as per Florida Administrative Code.

Residents are advised that all water used for drinking, cooking, making ice, brushing teeth, or washing dishes be boiled. A rolling boil of one minute is sufficient. As an alternative, bottled water may be used.
