COMMUNITY EMERGENCY RESPONSE TEAM VOLUNTEERS NEEDED

Calling all neighbors in the district to join the **Community Emergency Response Team (CERT)** program to help train neighbors to be better prepared to respond to emergency situations in their communities. When emergencies happen, CERT members can give critical support to first responders, provide immediate assistance to victims, and organize spontaneous volunteers at a disaster site. CERT members can also help with non-emergency projects that help improve the safety of the community.

STAY SAFE STAY COVERED

Stay Safe, Stay Covered: Lauderdale faced one of the worst flooding events in its history. Within just 12 hours, our city had accumulated more than 26 inches of rain. Despite recovery efforts, the event left significant devastation in its path. But flooding can happen anywhere and at any time, which is why the City of Fort Lauderdale participates in the National Flood Insurance Program (NFIP)
