

CITY OF FORT LAUDERDALE

Notice: Public Meeting

SE 7TH STREET BRIDGE REPLACEMENT PROJECT IN RIO VISTA

FDOT Financial Project ID: 450870-1-52-01 | City Project Number: P12859

PUBLIC MEETING

Join the City of Fort Lauderdale and the Design Consultant Team during a public meeting that will include a presentation of project information along with a question-and-answer session. Questions and comments may be submitted prior to the meeting by emailing the Project Manager at ldeluca@fortlauderdale.gov.

Thursday, March 12, 2026, at 5:30 p.m.

Church By The Sea
2700 Mayan Drive
Fort Lauderdale, FL 33316

PROJECT OVERVIEW

The City of Fort Lauderdale is working with Roadway Design Solutions to prepare designs for the replacement of the SE 7th Street Bridge over Rio Cordova, located east of Cordova Road, in Rio Vista (Bridge No. 865760) to ensure climate resilience and improve safety.

The estimated construction cost is \$13.8 million. This project is partially funded by City and federal funds.

Data collection activities including surveying, geotechnical analysis and waterway inspections were completed in October 2023. Design plans were presented to the community in April 2024 and updated plans are now 60% ready. Construction is scheduled to begin in fall

2027 and is expected to be completed in late 2030. This schedule is subject to change based on inclement weather or other unforeseen circumstances.
